

BUCHAREST: ICA Balkans - New Professional Coaching Certificate Program starts in February 2013

ICA Balkans is a blended Accredited Certified Training Program (ACTP) which, at the end, will offer you an ICF accredited certificate and the possibility to **become PCC in just 18 months**, if you have the necessary number of coaching hours.

Coach training with International Coach Academy means joining a great global community and being the best professional coach that you can be. ICA has trained coaches in over 90 countries and currently delivers in two languages (Chinese and English).

We believe coaching is a universal skill that can be used wherever you are now and wherever you will be in the future.

The program has 3 options for you to choose according to your needs, future plans or income. Here we go:
